Cougar/GMP

Ed: You be rikkht, but what the hell is DUNNY?

This mag is too small! But original and it's 99% English! (WAUW!) J think you should expand it a little bit (front + back). So go on and kick some ass! Later...

Perplex/Collusion

Ed. For your command! Later...

Very Original, but too little text. What about whole cover filled with text - Not just back slip.
8-Ball/TDU

Ed: So we did, infamous sea-explorer. Thanks
